ROOSEVELT FLAYS GOVERNOR HOOPER

SPLIT IN BOTH CAMPS

Bull Moose Followers Have

The ex-president let it be known that he intends taking up the governor's assumption of progressivism after he gets hack from this swing around the circuit. Roosevelt expects to stab holes in Governor Wilson's public record to show that he is at heart a reactionary. Also he will put Mr. Taft on the grill for the first time in this campaign, violently attacking the president's administration. istration.

The colonel is getting ammunition

The colonel is getting ammunition ready for both antagonists. From the tion thred from a long day of deliberation and much uncertainty still casting about to find a candidate for head of the state tions the middle west, until the fight is over, he will pillory Taft and Wilson. If he considers the time propitious he will let loose on them in the middle west, although his mind now is to wait until the finish of the campaign for a siztling windup.

The expressident's campaign in western Tennessee came to an end tonight with a speech here before 10,000 howling Progressives.

Roosevelt pitched into Governor Hooper, Republican, who has been flirting with both the Taft standpatters and

Roosevelt pitched into Governor Hooper, Republican, who has been flirt-ing with both the Taft standpatters and

ing with both the Taft standpatters and the Wilson camp.

Hooper, running for re-election as a Republican, has the endorsement of one Democratic faction. The colonel classified Hooper in his speech with the machine element in Tennessee politics, saving he was trying to cater to both sides. He urged the Republicans of Tennessee "not to be deceived."

"You ought to be against Hooper, just as the Progressives everywhere are against the bosses," he argued. "Governor Hooper does not care whether he is elected as a standpat Republican or reactionary Democrat, so long as he

all against you.

situation in Tennessee, because of splits in both the old parties, is considered favorable to Roosevelt. The Progressives have a candidate for governor who may also slip in because of the divided Republican and Democratic

Roosevelt's welcome in western Tennessee, where the vote is usually Democratic, was such today as to cause

President Taft, for failure to take action within the past five months—after the terrific damage done by the Mississippi river last spring—toward preventing another such disaster.

'Not one thing has been done by the government toward building up the leves system, or providing for deepening the river,' said the colonel.

'Congress was in session for five months after your last disaster and neither branch of congress. Republican nor Democratic, took one step that offers the slightest prospect of preventing a recurrence of the awful flood that did a damage of \$100,000,000.'

Roosevelt left here tonight for New Orleans, where he spends all of tomorrow.

Before the throng here Roesevelt attacked the Republican national committee as a "band of pittos." He hated to think, be said what "these them.

"It was bad enough when everyone was looking on there at Chicago," he added, with a grim smile. "The Research the trusts heave not and the national committee will stock them.

"It was bad enough when everyone was looking on there at Chicago," he added, with a grim smile. "The Research the trusts heave not he desirable. But that is a very different matter from the development of the trusts, because the trusts have not and the national committee will stock the said that the trusts have not he may be the distinct of the trusts. They have been manufactured, and the national committee will stock the disberate planning and will of men who were more powerful than their neighbors in the business world that the trusts are inevitable in the dispersion on the Missississ. The provisions and get down to the hardpan of the manufactured that the trusts are inevitable. I want to turge upon carry total the disberate planning and will of men who were more powerful than their neighbors in the business world in the said of the Mississipper in the dispersion of the Mississipper in the dispersion of the manufactured the administration, evidently aiming a convention at Memphi convention and get down to the hardpan of the manufactured that the trusts are inevitable. I want to turge upon carry total the form of the manufactured that the trusts are inevitable. I want to turge upon carry total the form of the manufactured that the trusts are inevitable and the provisions and all of the provisions are all and the provisions and all of the provisions are an all of the provisions are all and the provisions are a

Conditions in Germany.

"Let me tell you, these gentlemen, when they cite instances across the water, are speaking in ignorance of the actual conditions across the water. There is a steel trust in Germany, but the trust is only at the bottom and not at the ton. The trust is a sort of pool for the sale of the cruder forms of iron and steel, and the manufactured forms bought from this trust are manufactured by independent concerns which actively compete with one another. And already they are feeling the disadvantage, the smothering disadvantage of having to go for all their crude material to the trust at the center. "They get their crude stuff when the men who make the crude stuff get ready to send it to them. It isn't a matter of their markets. Their markets may be crying for the manufactured product, but they have got to wait. Their convenience is subordinated to monopoly. "I want to leave you with this thought, that no party except the Democratic party ever proposes emancipation from the special favors of the tariff and the special control of the trust."

BAER CELEBRATES HIS

SEVENTIETH BIRTHDAY By International News Service

By International News Service
PHILADELPHIA, Sept. 26.—After being silent for ten years in resard to the
statement that made him known the
world over as "Divine Right Baer," President George F. Baer of the Reading company, who celebrated his seventieth birthday anniversary today, denied that he
had written the statement that caused
so much comment during the coal strike
of 1902.

He said he had never taken the trouble
to deny it, because it would have been
useless.

Murder Suspected.

By International News Setvice.

JANESVILLE, Wis. Sept 25.—E. I. Dwyer, aged about 60 years, who has made and lost several fortunes as a stock speculator in Wall street and has been interested in many enterprises in other parts of the country, was found dead in the railroad yards here today. It is believed he was murdered, as a bullet hole was discovered in his head.

TESTIMONY IN THE SNEAD CASE ENDS

Arguments Will Be Heard This Morning in Habeas Corpus Proceedings.

AMARILLO, Tex., Sept. 28.-Taking of estimony in the habeas corpus proceedings in behalf of John Beal Snead, accused of murder here September 14 of Al G. Boyce by shooting, was ended late this afternoon and at adjournment of court it was announced that arguments would be heard tomorrow morning. John Blanton, alleged to have acted as

Snead's bodyguard in the last six months, was the last witness. Portions of the evidence in the trial of Snead at Fort Worth for the killing of A. G. Boyce, Sr., were admitted as evidence. A suit case, identified as Snead's and left by him in a room which

he had occupied for several days prior to the killing of the younger Boyce here, was introduced by the prosecution, together with the suit case's contents, which included a metal breastplate and a black false mustache. An indictment charging murder was re-

turned today by the grand jury against Beach B. Epting, arrested several days after the Boyce killing as the alleged ac-complice of Snead. JAPANESE STORM KILLS THOUSANDS

Whole Villages Wiped Out by Typhoon; Even the Forests Have Disappeared.

and property in the recent typhoon was appalling, according to reports from persons arriving from the provinces.

Where the full fury of the typhoon was centered nothing has been left with pain but gave no sign of what was standing. Whole villages have collapsed; temples, schools, houses and theaters have been wiped out and in some places forests have disappeared. Troops have been called out to aid in

the work of salvage and protection. The loss of the mail boat at Shimo nerki is said to be due to negligence of the captain who has since attempted suicide. Four hundred Sappero fishernen were lost in the burricane

BARONESS DE LA ROCHE DESPERATELY INJURED

LYONS, France, Sept. 26.—Baroness De La Roche, a noted aviatress, was desperately injured in an automobile collision near Belleville-Sur-Saone this ovening. Charles Voisin, an aviator, was killed at the same time.

Baroness De La Roche was the first Baroness De La Roche was the first woman to make an aeroplane flight in Paris. She won her air pilot license in February, 1910. At an aviation meeting at Rheims the following July the baroness, driving a Voisin biplane, lost her nerve at a height of 150 feet, shut off the power and fell with her machine to the ground. Both legs and arms were hopen but she recovered arms were broken, but she recovered sufficiently to continue her bazardous pastime.

Baroness De La Roche has driven motorboats in races and automobiles at exhibitions and as soon as flying became practical, she learned how to manage a biplane.

POLICEMEN ORDERED TO ACCEPT BRIBES

CHICAGO. Sept. 26.—Municipal Judge John R. Newcomer surprised his fellow judges and officials of the police department when he ordered mounted policemen to accept proffered bribes from peddiers violating city ordinances to be used as a fund to aid the poor during the coming winter.

"You should have accepted the money for the aid of the poor," said Newcomer to one policeman who had refused a bribe of \$5.

By International News Service By International News Service.

NIAGARA FALLS, N. Y., Sept. 28.—

Mrs. Mary M. Hanner was technically placed under arrest tonight, charged with shooting her husband, George Hanner, with intent to kill, in their automobile on the night of September 12, while en route from Niagara Falls to Buffalo. Mr. Hanner was shot in the back of the head and another bullet shattered Mrs. Hanner's right knee. She is now in St. Marys hospital. In the automobile also were a chauffeur and the Hanners' 4-year-old son,

Mrs. Hanner told the police that the shots were fired from ambush from the side of the road, but the police, from the nature of the wounds, are convinced that the shots were fired by someone in the automobile. Hanner supported his wife's story.

UNITED STATES MAY INTERFERE IN CUBA

By International News Service. WASHINGTON. Sept. 26.—While denying that they had received any appeal from the Cuban government for American aid in supervising the coming presidential elections on the island, state department officials tonight admitted that if this aid be asked for it will be granted.

granted.

After the fall of the Palma regime the United States lent armed aid to Cuba to maintain order at the polls and protect foreign property during the riots that followed, and it is prepared to do so at this time. This aid will not be voluntarily proffered, however, unless conditions in Cuba make it imperative for the United States again to intervene and assume charge of the government.

UNOFFICIAL CHINESE LOAN IS SUCCESSFUL

to one policeman who had refused a bribe of \$5.

"I don't mean, however, that you should have allowed your prisoner to go. You should have taken the money he offered and then arrested him."

Boy's Hand Torn Off.

ROCK ISLAND, Ill., Sept. 25.—Willie Griner, 15 years old, picked at a dynamite cap with a pin in a German Lutheran parochial school here today. The cap exploded and Willie's hand was torn away. The fifty other pupils were thrown into a panic.

LONDON, Sept. 26.—There was a great demand for the prospectus of the new Chinese loan issued here today. Widespread interest has been aroused in the loan owing to the active international argument brought about by the success of the "unortical" financiors in placing the loan with the Chinese government in group of bankers.

There were, however, few dealings in the bonds, which early in the day were quoted at \(\frac{1}{2}\) to \(\frac{1}{2}\) premium and at \(\frac{1}{2}\) he close at \(\frac{1}{2}\) premium bid.
